FY 2024 Per Diem Highlights

We establish the per diem rates for the continental United States (CONUS), which includes the 48 contiguous states and the District of Columbia. Federal agencies use the per diem rates to reimburse their employees for subsistence expenses incurred while on official travel.

Federal per diem rates consist of a maximum lodging allowance component and a meals and incidental expenses (M&IE) component. Most of CONUS (approximately 2,600 counties) is covered by the standard rate of $166 ($107 lodging, $59 M&IE). In fiscal year (FY) 2024, there are 302 non-standard areas (NSAs) that have per diem rates higher than the standard rate.

Since FY 2005, we have based the maximum lodging allowances on average daily rate (ADR) data. ADR is a widely accepted lodging industry measure derived from a property's room rental revenue divided by the number of rooms rented. This calculation provides us with the average rate in an area. For more information about how lodging per diem rates are determined, visit Factors Influencing Lodging Rates.

We remind agencies that the Federal Travel Regulation (FTR) allows for actual expense reimbursement when per diem rates are insufficient to meet necessary expenses. Please see FTR § § 301-11.300 through 11.306 for more information.

FY 2024 Results:

The standard CONUS lodging rate will increase from $98 to $107. All current NSAs will have lodging rates at or above FY 2023 rates. The M&IE per diem tiers for FY 2024 are unchanged at $59-$79, with the standard M&IE rate unchanged at $59.

There are two new NSA locations this year:

1. This column lists the full daily amount federal employees receive for a single calendar day of travel when that day is neither the first nor last day of travel.
2. The separate amounts for breakfast, lunch and dinner listed in the chart are provided should you need to deduct any of those meals from your trip voucher. For example, if your trip includes meals that are already paid for by the government (such as through a registration fee for a conference), you will need to deduct those meals from your voucher. Refer to Section 301-11.18 of the Federal Travel Regulation for specific guidance on deducting these amounts from your per diem reimbursement claims for meals furnished to you by the government. Other organizations may have different rules that apply for their employees; please check with your organization for more assistance.
3. This column lists the amount federal employees receive for the first and last calendar day of travel. The first and last calendar day of travel is calculated at 75 percent.
